## **I. PURPOSE**

The purpose of this manual is to prescribe procedures for the operation of the Eurovent Certified Performance Programme for Heat Pumps in accordance with the Operation Manual OM-17.

## **II. SCOPE**

The programme applies to selected models in selected ranges of Heat Pumps. Each range shall be certified according to *one related programme as described in OM-17*.

## **III. DEFINITIONS**

Definitions are given in Certification Manual *and related reference documents as described in OM-17*.

## **IV. TESTING REQUIREMENTS**

Standards ratings shall be established at standard rating conditions specified in *related reference documents per category and type of heat pump*.

## **V. RATING REQUIREMENTS**

Rating requirements are in accordance with *related reference documents per category and type of heat pump*.

## **VI. CERTIFIED PERFORMANCE**

Certified performance items are detailed in *related reference documents per category and type of heat pump*.

## **VII. TOLERANCES**

Acceptable tolerances are given in *related reference documents per category and type of heat pump*.
